

Register with USA Rugby on Rugby Xplorer

QUICK DIRECTIONS

1. Go to <https://myaccount.rugbyexplorer.com.au>
2. Create a Rugby ID
3. Log into your new account
4. Register for your Club.

DETAILED DIRECTIONS

[Video Directions: Watch Here](#)

1. Go to <https://myaccount.rugbyexplorer.com.au/>
2. Create a Rugby ID
3. Enter the Email address that you normally use for rugby, ideally the same email address you used for registration in Sportslomo. Do NOT use a club address.
4. Assuming you haven't done this before in RX, you should see "You don't have a Rugby ID". Click on "Sign me up!"
5. Fill in the fields. Note: on the first screen in "Sign-up to Rugby ID" make sure that Rugby Region is shown as "USA Rugby". Click "Sign Up" to be emailed a link to verify your email. The system will check if you are known to USA Rugby.
6. If you are known by RX, confirm your account and proceed. If you are not known by RX and are new to rugby, this is ok! Continue.
7. If you are not known by RX and you HAVE registered in the past, stop and let us know by emailing admin@midwest.rugby. We would need your first and last names and the Email address you entered.
8. Go to your email account, open the message, and click on "Verify Email".
9. A new browser window will open. Create your password and click the button.
10. Proceed to login.
11. Once logged in, you can Register via the link on the left-hand side! (You will search for your club, etc.)

-Please reach out if you have questions.
